Description: FMVSS 111, Rear Visibility, S6.2.4 Linger time requires that "The rearview image meeting the requirements of S6.2.1 and S6.2.2 shall not be displayed after the backing event has ended." S4. Definitions, "Backing event" is defined as "an amount of time which starts when the vehicle's direction selector is placed in reverse, and ends [...] when the vehicle forward motion reaches: [...] (c) a continuous duration of 10 seconds." In certain situations, the rearview image in suspect vehicles will linger until a drive cycle ends, which can be longer than 10 seconds.

If the rearview image is displayed after the backing event has ended, a driver may be distracted by repeatedly and/or continuously shifting attention in attempt(s) to cancel the image which can cause a vehicle crash without prior warning.

Remedy: FCA US will conduct a Voluntary Safety Recall to flash the suspect radios with updated software.

CARFAX Glossary

First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall
Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported
When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
